ALL PURPOSE CLEANERS & DEGREASERS

POWER CLEAN Concentrated Cleaner

A concentrated cleaner that effectively removes the toughest types of everyday soils; dirt, grease, oil, soap scum, etc. It has excellent cleaning qualities at various dilutions. It can be diluted as strong as 1:2 (64 oz. per gal.) for concrete floor cleaning and as high as 1:128 (1 oz. per gal.) for light duty cleaning. Rinses freely with water and leaves no residue. Use it to clean all types of water washable surfaces in food service establishments, automotive care, education facilities, transportation and equipment.

CRYSTAL BLUE All Purpose Cleaner

This advanced biodegradable formula combines effective cleaning power with environmental safety. True high performance cleaning of dirt, oil and grease. It's low odor formulation makes it the ideal choice for use in public areas. Concentrated and safe to use on all water washable surfaces not harmed by water alone. Safe for use on aluminum. This low foam cleaner can be applied through pressure washers, automatic floor scrubbers, mop buckets and or trigger spray bottles.

EMERALD GREEN Concentrated Cleaner

A lightening fast cleaner that is absolutely safe for all types of floors, as well as walls, woodwork, ceilings, refrigerators, counters, etc. EMERALD GREEN can be used on any surface not harmed by water alone. This product contains no free alkali, and leaves no harmful residue. Neutralizing or rinsing after cleaning is not necessary. The cleaner works effectively when mixed with hot or cold, hard or soft water. Quickly loosens oil, grease & grime and other stains from floors, walls and woodwork.

CITRUS DEGREASER HQ Citrus Degreaser

CITRUS DEGREASER HQ is formulated with d-Limonene, a natural solvent derived from orange citrus peels. The degreasing characteristics of this natural solvent are enhanced with special wetting agents and surfactants for extra heavy duty degreasing and deodorizing. Water-soluble and water-rinsable, Citrus Degreaser HQ quickly penetrates and cleans away heavy grease and oil from all hard surfaces not harmed by water alone.

PINE CLEANER All Purpose Cleaner & Degreaser

A multi purpose pine cleaner that contains fast acting detergents and pine oil for superior cleaning and deodorizing. Safe to use on all water washable surfaces. PINE CLEANER can clean the most stubborn of greasy and oily surfaces while leaving behind that fresh, clean pine smell. Concentrated for a variety of cleaning tasks while providing in-use economy.

PINION POWER Pine Oil Cleaner

A hard surface cleaner/deodorant containing high grade emulsified pine oil. This product has excellent cleaning properties. Makes a white milky emulsion when added to water, imparts an odor of rich pine. Recommended for use in rest rooms, loading docks, refuse storage areas and other places where cleaning and odor control are desired.

SPRAY & WIPE Ready To Use

Use SPRAY & WIPE for any spray-and-wipe job, big or small. Industrial or institutional clean-up and graffiti removal of any kind, the clean, crisp fragrance leaves the air freshened. SPRAY & WIPE removes grease, ink, crayon, pencil, lipstick, black heel marks, smoke film, floor wax, greasy food soils, and other tough stains. SPRAY & WIPE works on walls, floors, painted woodwork, vinyl, equipment, machinery, conveyor belts, exhaust fans, counters, shelves, refrigerator cases, fiberglass boats, aluminum, etc...

CARPET CARE PRODUCTS

TRAFFIC LANE PRESRAY Carpet Soil Pre-Treat

A unique blend of solvents and cleaning agents to quickly emulsify heavy grease and oils on high traffic carpeted areas. Helps remove the toughest ground in soils found in restaurants, apartments, office buildings, schools, etc. Use to treat the areas prior to extracting. Rinses easily and is low foaming with minimal odor.

'7' NEUTRAL CARPET & Bonnet Shampoo

This versatile carpet cleaner is formulated to be all natural and detergent free. Helps keep your carpets cleaner longer because it leaves no sticky residue behind. Cuts oil, grease and embedded soil with ease. Versatile in that it can be used not only for extraction, but also works well for bonnet cleaning and powerful enough to be used as a pre-spray. Safe on 5th generation carpets.

CARPET CLEANING CONCENTRATE Extraction Shampoo

CARPET CLEANING CONCENTRATE contains no cationics or high pH that are prohibited on stain warranted carpets. This product has many features that help you clean carpets faster and easier, such as; a built-in defoamer and optical brightener to bring back your carpets' original luster and shine. Built-in corrosion inhibitor protect your valuable equipment from the corrosive nature of cleaning chemicals. A gallon of this product can clean up to 5,000 sq. ft. of carpet.

RUG SHAMPOO CONCENTRATE High Foam Shampoo

RUG SHAMPOO CONCENTRATE is designed for use with both rotary machines and dry foam equipment to clean carpets. It produces larger volumes of foam containing special wetting agents, builders, emulsifiers, buffers, solvents, and embrittling agents to provide a non-lacky, clean carpet surface. OPTICAL BRIGHTENERS ARE ADDED to give brilliant restoration.

UNREAL SPOTTER RTU Carpet & Upholstery Spotter

UNREAL SPOTTER is a truly remarkable cleaner fortified with the cleaning power of Hydrogen Peroxide (H₂O₂). This stable formula along with a specialized "low" residue surfactant system quickly attacks the most stubborn soils and stains on carpets while leaving next to no residue. The key to any successful spot removal is time; the sooner you can treat it, the better. Safe on 5th generation carpets.

ANTI-STAT Carpet Static Eliminator

Anti-Stat eliminates the build-up of static charge on carpets and rugs. It stops that surprising "shock" when someone touches a light switch or metal object after walking on carpet. Ideally suited for use in areas with low humidity. Safe on all types of carpet fibers not harmed by water alone. Use it in hotels / motels, commercial office buildings, nursing homes, hospitals, computer rooms, etc. Anti-Stat will not change the appearance of the carpet. It is water based and non flammable with no odor.

FLOOR CARE PRODUCTS

STRIPPER CONCENTRATE Floor Finish Stripper

STRIPPER CONCENTRATE is especially formulated to remove long-term build-up of all water based waxes and synthetic polymer floor finishes including metal interlocked detergent-resistant finishes. STRIPPER CONCENTRATE contains MEA, which in combination with its other solvents and detergent-based ingredients, quickly penetrates, emulsifies and suspends built up wax and finish.

QWIK STRIP No Scrub - No Rinse Stripper

QWIK STRIP is a fast-acting rinse-free type stripper. It removes excessive build-up of finish, wax and sealer. Generally no rinsing is required however if time permits a quick "trail" rinse to pick up squeegee streaks and into corners is suggested. Concentrated for better in-use economy. Low odor and easy to use.

HARD HIGH GLOSS II Super Gloss Floor Finish

HARD HIGH GLOSS II is the best choice for high traffic areas such as schools, universities and public businesses. HARD HIGH GLOSS II will maximize the durability without sacrificing gloss. It leaves your floors with a deep wet look gloss long after they are dry. HARD HIGH GLOSS II can be used with or without a UHS burnisher. With a UHS program, it gives superior burnishing response. Without a UHS program, your gloss levels will not be compromised as long as the floor is properly cleaned and maintained.

REFLECTIONS Wet Look UHS Floor Finish

REFLECTIONS is the next level in floor finish technology. It delivers a rich deep "wet look" gloss while bringing out the natural beauty of the floor. This versatile floor finish can be used on almost all type of flooring; VCT tile, pure vinyl, linoleum etc. REFLECTIONS is extremely durable and resists black heel marking. It works extremely well with any high speed burnishing program. Application is "goof proof" with exceptional leveling and is easy to maintain.

BRILLIANCE Neutral Cleaner

BRILLIANCE is a floor cleaner concentrate formulated to reduce the time and labor costs of daily maintenance of high gloss metal interlock floor finishes. BRILLIANCE won't harm the finish. This product is low foaming for use in autoscrubbers. BRILLIANCE is quick drying and leaves no residue or haze to dull the original lustre of high gloss finishes. Floor appearance is actually enhanced and the life of the finish substantially extended. BRILLIANCE contains optical brighteners for maximum reflectiveness.

SPRAY N' BUFF Floor Finish Gloss Restorer

SPRAY N' BUFF is formulated to clean, repair, and restore the gloss to metal interlock floor finishes. The unique combination of detergent, polymer and solvent emulsifies soil, removes black heel marks, scuffs and scratches from the finish surface. With regular use, it reduces the need for time consuming stripping and recoating. SPRAY N' BUFF is recommended for use wherever high gloss at a minimum expense is desired. Ready-To-Use dries fast and will not yellow or powder and is slip resistant.

#7 SUPER FLOOR SHINE All Purpose Cleaner

A general purpose and balanced chemical cleaner for floors, walls, fixtures, etc... #7 SUPER FLOOR SHINE is particularly valuable for floor cleaning. Tests show it does not remove the floor finish nor does it have any deleterious effect on linoleum, asphalt, vinyl, rubber, quarry tile, or terrazzo surfaces. #7 SUPER FLOOR SHINE dissolves instantly in hot or cold, hard or soft water. #7 SUPER FLOOR SHINE suspends and holds soil particles in solution and in most instances no rinsing is needed.

GLASS & SPECIALTY CLEANERS

KLEERVUE RTU Glass Cleaner

KLEERVUE is a Ready-To-Use Non-VOC glass cleaner specially formulated to meet the needs of environmentally responsible products. Improved safety (toxicity, flammability) while leaving behind a streak free and spot free surface. Fresh clean scent.

WINDOW CLEANING CONC. Glass & Mirror Cleaner

WINDOW CLEANER CONCENTRATE is a highly concentrated glass and hard surface cleaner. This product contains special surfactants and wetting agents which allow it to be very effective when diluted at 10:1. WINDOW CLEANER CONCENTRATE will not leave a film, wax or residue when used as directed.

SHINE ALL Treatment & Protectant

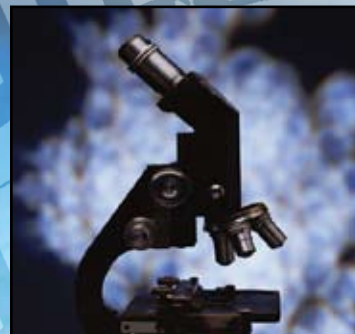

SHINE ALL beautifies and protects vinyl, rubber, plastic, leather, wood, acrylics, and plexiglas by applying a thin silicone protective layer. SHINE ALL is excellent for use on restaurant booths, automobile vinyl seats and interiors, vinyl trim. SHINE ALL is non-flammable, non-toxic and non-corrosive. It is pleasantly scented and is safe and easy to use.

DISINFECTANT/CLEANER/DETERGENTS

I-64 Disinfectant/Cleaner/Detergent

I-64 is a phosphate free formulation designed to provide effective cleaning, deodorizing, and disinfection specifically for hospitals, nursing homes, schools, food processing plants, food service establishments and other institutions. This product is a proven "one step" disinfectant and is an effective bactericide, fungicide and virucide in the presence of organic soil.

I-64 LEMON Disinfectant/Cleaner/Detergent

I-64 LEMON is a phosphate free formulation designed to provide effective cleaning, deodorizing, and disinfection specifically for hospitals, nursing homes, schools, food processing plants, food service establishments and other institutions. This product is a proven "one step" disinfectant and is an effective bactericide, fungicide and virucide in the presence of organic soil.

LAUNDRY PRODUCTS

POWDERED BLEACH

Powdered Laundry Bleach

POWDERED BLEACH has a unique combination of ingredients to safely bleach all washable fabrics whiter and brighter and remove stains. Excellent performance whether you are washing in hot, warm or cold water. This product contains iron sequestering agents to prevent yellowing. This products release of chlorine is controlled, unlike the complete and immediate release from liquid hypochlorite bleach. This controlled release minimizes fabric damage, like pinholes and tensile strength loss.

LOW FOAM DETERGENT

Powdered Laundry Detergent

LOW FOAM DETERGENT is concentrated to deliver maximum cleaning punch to the heavy duty portion of your laundry. LOW FOAM DETERGENT, when used as directed, is safe on all fabrics and it is highly recommended for work clothes. LOW FOAM DETERGENT can save you money on detergent expense for the biggest part of your washing.

KITCHEN PRODUCTS

SCALE AWAY

Lime & Scale Remover

SCALE AWAY is a blended acid formulation designed to quickly clean and descale dish washing machines, steam tables, coffee urns, drinking fountains, glasses, food processing equipment and utensils. SCALE AWAY removes mineral films and scale, leaving surfaces bright and film-free.

OVEN & GRILL CLEANER

Institutional Strength

An institutional strength, extra viscous cleaner for removing heavy, baked-on deposits of grease and soot. Clings to vertical surfaces for maximum contact time and chemical cleaning action. Perfect for use on stoves, ovens, fryers, exhaust fans, hoods, filters and barbecues.

SUPER SUDS

Hand Dishwashing Liquid

SUPER SUDS quickly removes grease and food from pots and pans. Its pleasant lemon scent and high suds retention makes SUPER SUDS a pleasure to use. SUPER SUDS quickly penetrates food, oil and baked on deposits on pots, pans and kitchen utensils and glassware. It rinses completely and leaves surfaces streak free. SUPER SUDS can be used in restaurants, hotels, schools, hospitals, and food service institutions.

HAND SOAPS

LOTION HAND SOAP

Pink Liquid Hand Soap w/Aloe Vera

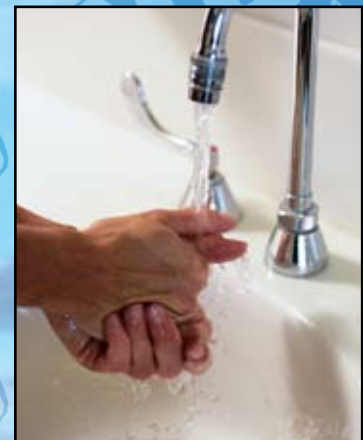

A viscous, general purpose hand cleanser with aloe vera, making it extremely mild to your skin, yet tough on dirt. It contains agents that replace natural skin oils normally washed away by regular soap. The balanced, neutral pH formula is formulated for extra mildness for even the most sensitive skin. This product will produce a rich lather in hard or soft water and leaves your hands soft and supple. Excellent for use in health clubs, rest homes, restaurants, industrial plants and in the home. 100% Biodegradable.

SANI-DERM

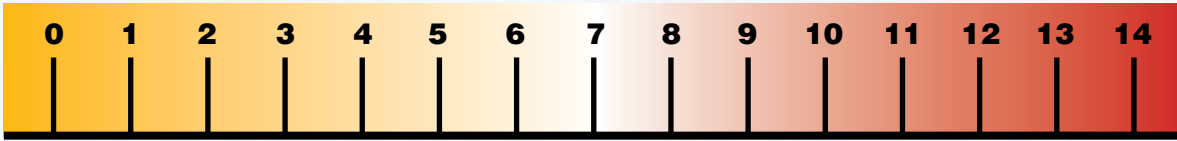

Anti-Bacterial Hand Soap

SANI-DERM is a Ready-To-Use, pH balanced anti-bacterial hand cleaner. SANI-DERM contains high concentrations of PCMX, an extremely effective anti-bacterial. This germ-fighting formulation is designed to meet the critical hand care needs of health care, food service and institutional personnel. Mild to the hands and leaves the skin soft and refreshed.

The pH Scale

pH (Potential of Hydrogen) is a measure of the degree of the acidity or the alkalinity of a solution on a scale of 0 to 14. The pH scale is especially helpful in carpet spotting.

The pH scale is logarithmic. This means that as you move up or down the pH scale, each number is stronger by the power of ten. For example a chemical with a pH of 6 or 8 is ten times stronger than one with a pH of 7. Solutions of 5 and 9 are ten times stronger than solutions of 6 and 8 and one hundred times stronger than solutions of 7.

Metric Conversions

For metric conversion, here are some key equivalents:

Liter = 33.8 ounces, 1.057 quarts or 0.264 gallon

Gallon = 3.784 liters

Quart = 0.946 liter
